IPFCA was established to train and educate Christian Chaplains in advanced modalities, such as First Responders, to meet the challenges of post 911 locally, nationally and internationally. Today the IPFCA chaplains are here to serve industry and government agencies. IPFCA Chaplains are trained to serve local police, fire, and other law enforcement agencies, along with Industry and business in their day-to-day operations as well as emergency events, and tragedy that strikes at home, work place and local communities.

As IPFCA Christian Chaplains we come in contact with all the wounded, hurting and even the dying and those at the very point of death. From public servants of all kinds to all hurting people they serve. We are in police stations, fire stations, factories, hospitals, jails, prisons, convalescent homes, hospices, natural disasters, airports, courtrooms, schools, orphanages, and much more where ever we are needed. We are present in the aftermath of natural disasters, suicides, auto accidents, plane crashes, train wrecks, chemical spills, and terrorist attacks. We are there for the emergency workers and their families as well as for the victims and their families as servants to both bond servants of the Lord Jesus Christ.

**CISM Intervention Strike Team Debriefing Unit**

Currently we have Mobil command center vehicles in development (plus future Vehicles through out the US) that can be dispatched through out the eastern/and southeastern U.S. to traumatic or emergency situations for the debriefing, crisis counseling and emergency command post operations with (limited) Medical supplies, oxygen, food, and (updating) state of the art computer internet access for contacting all government agencies. Our CISM Teams are trained in the latest CISM techniques with biblical bases that are proven to work.
Operations Unit and CISM Road Response.

These types of units responds to Local Police & Fire, and Industry emergencies. (We have our own emergency vehicles, plus we are wanting more units assigned to all states as the IPFCA grows) these units are and can be equipped with emergency lights (Colors depending on state Law, states Very) and sirens, as permission granted by local and federal agencies. These units do respond when called in to help with CISM in traumatic events like car crashes, fatal and non-fatal accidents. For fires, domestic & drug abuse, our roll in these situations is Christian counseling, helping victims, death notification on scene or at hospitals, and at survivor’s home. Helping victims in the case of fires in, shelter, food, and clothing. This is a great service to relieve the stress of and assist police & fire personnel, so officers and emergency personnel can be freed up in performance of their duties and continuing help and Christian counseling to people affected by the event.

The Bible, is verbally inspired by the Holy Spirit, is the inerrant and authoritative Word of God (2 Timothy 3:15-16 and 2 Peter 1:21). The Bible is entirely trustworthy and is our ultimate authority for life.

One God in three persons: Father, Son and Holy Spirit (Deuteronomy 6:4, Matthew 28:19 and 2 Corinthians 13:14). He is the only true God, the almighty Creator of all things full of love and glory. The Father, who is a Spirit, infinite, eternal and unchangeable in all his attributes (John 4:24 and Exodus 34:6). The Son, Jesus Christ fully human and fully divine, virgin born, sinless life, atoning death, bodily resurrection, personal exaltation at God’s right hand and personal return (John 1:1, Isaiah 7:14, Hebrews 7:26, 1 Corinthians 15:3,4 and Acts 1:11). The Holy Spirit, who is a divine person, equal with the Father and the Son and of the same nature (John 15:26) indwells and anoints all believers to a new life and a new calling to obedient service.

Satan is a created angel who fell after a time of pride against God. He is our enemy and Jesus Christ has given us power over the devil (Isaiah 14:12-14; Rev 20:2).

The fall and consequently total depravity of man makes the new birth necessary (Romans 5:12 and John 3:16-17).

Salvation is by grace through faith in the shed blood and substitutionary death of Jesus Christ, our Lord and Savior (Titus 3:4-7, Eph 2:8,9 and Rom 5:8). (John 3:16)

The value and dignity of all people who were created in God's image to live in love and holiness, but became alienated from God and each other because of our sin and guilt, and justly subject to God’s wrath. Justification by God's grace is to all who repent and put their faith in Jesus Christ alone for salvation. (Romans 5:8-12- and Romans 10:9)

The eternal blessedness of the saved and everlasting punishment of the lost (Matthew 25:46 and Philippians 3:21). The Church, in its universal aspect comprises the whole body of those who have been born of the Spirit; and in its local expression established for worship, mutual edification and witness (Ephesians 1:22,23, 5:25-32 and Acts 15:41, 16:5). We believe in the unity of all believers in Jesus Christ. We believe that the church is the way God works today and we will encourage people become part of a local church. (Matthew 28:18-20).

Civil Government is divine by appointment, for the interest and good order of human society; and that magistrates are to be prayed for, conscientiously honored and obeyed; except only in things opposed to the will of our Lord Jesus Christ. Romans 13
