# What will you learn?

## Characteristics of Domestic Violence

### How to Recognize signals of Abuse.

### Convincing victims to get help and into a safe place. Getting real help, and how to council victims.

Approximately 33 million<sup>1</sup> or 15% of all U.S. adults, admit that they were a victim of domestic violence. Furthermore, 6 in 10 adults claim that they know.

### Learning Basic CISM Techniques.

### Do you or someone you know have a healthy relationship. Ask yourself does your partner:

1. Embarrass you with bad names and put-downs?
2. Look at you or act in ways that scare you?
3. Control what you do, or who you see, or talk to, or where you can go?
4. Stop you from seeing or talking to friends or family?
5. Take your money, or Social security, make you ask for money, or refuses to give you money?
6. Make all the decisions?
7. Prevent you from working, or attending school or church?
8. Tell you you're a bad parent, or threaten to hurt or take away your children?
9. Act like the abuse is no big deal, its your fault, or even deny doing it?
10. Destroy your property, or threaten to kill your pets?
11. Intimidate you with guns, knives, or other weapons?
12. Shove you, Slap you, choke you, or hit you?
13. Force you to have sex?
14. Force you to drop charges?
15. Threaten to commit suicide?

16. Threaten to kill you?

If you even had only checked one, you could be in a abusive relationship, you should immediately seek help from a Councilor, Chaplain, or call 1-800-799-safe (7233)cate.
